Catholic Action Montreal

**A NEW INITIATIVE FOR
THE ENGLISH SPEAKING
CATHOLIC COMMUNITY
OF
MONTREAL!**

People of Faith

We are people of faith called to action. We are united in our common mission to respond to the needs of others by providing supportive service, assistance, and meaningful, life-giving programming to people of all ages and in every walk of life.

The Organization

Catholic Action Montreal

Since first establishing their roots in Montreal during the 18th century, the members of Montreal's English-speaking Catholic community have dedicated themselves to offering care and compassion to those in need.

This commitment gave birth to a host of educational, health and social service institutions. Through their devotion to service and their outreach to the broader community, they have made an invaluable contribution to the lives and well-being of individuals from all religious, cultural and social backgrounds.

To continue this work today, Catholic Action has been created to bring together organizations with a common cause and shared commitment to better provide a wide-range of services to the most people possible. Catholic Action will be a beacon for lay services in the community.

Catholic Action (CA) members are guided by faith to serve, care for, and bring hope to others with humility, compassion and respect.

Catholic Action Montreal:

A grass roots initiative

Catholic Action Montreal intends to use a grass-roots participative approach, inviting all those involved in service within our English Speaking Catholic community to join together and collaboratively explore the infinite possibilities of how we might join together toward responding to the varying needs of our community. It is an exciting opportunity to learn about and from each other, support each other, and grow together in our common purpose - working for the greater good for all people.

We believe in the power of people helping people

We believe that Together we are all Stronger
